WHY SECURA NORTH AFRICA?

SECURA North Africa is a B2B tradeshow organised in one of the countries having the most important economy, industrialization policy and security needs for its infrastructures on the African continent.

SECURA North Africa is the largest business platform for professionals active in the commercial & homeland security and people safety in the region. This tradeshow follows the booming development and industrialization of countries located 2 hours from main European capitals.

WHY EXHIBIT?

SECURA is an event dedicated for fire, safety & security in Algeria and North Africa. Should you be a manufacturer, exporter, integrator, contractor or distributor of safety & security equipment, do not miss this opportunity to exhibit in SECURA North Africa 2022!

SECURA COVERS 5 AREAS

FIRE

Fire detection, prevention and control

SAFETY

Equipments for the protection of people & infrastructures

CYBER SECURITY

Prevention and fight against cyber attacks

EMERGENCY

Disaster & crisis management, rescue and forensic

COMMERCIAL & HOMELAND SECURITY
